Allen Dulles

## Allen Dulles to Discuss His New Book Here

What was master spy Allen Dulles' estimate of the success of the Bay of Pigs invasion?

He denies the invasion was based on word from his Central Intelligence Agency in his new best — selling book "The Craft of Intelligence."

Mr. Dulles, who has served in diplomatic, legal and intelligence posts under the last eight presidents of the United States, will be in Fort Worth to talk about his book Oct. 27.

He will appear with two other authors at the Friends of the Fort Worth Library

"Meet the Authors" buffet supper at Ridglea Country Club.

Irving Stone, author of "The Agony and the Ecstasy," and William Goyen, author of "The Fair Sister," will also attend.

Ticket reservations can be made at the library. Deadline is Oct. 25.
